
Good Shepherd's Fold Orphanage

Welcome to the Good Shepherd's Fold Sponsorship Program! Thank you for your interest & involvement. Most of the regular income for Good Shepherd's Fold comes from the sponsoring of individual children by individuals throughout the U.S., Ireland, Germany and Canada.

100% of your sponsorship dollars go toward your child's education & care through the General Operating Fund of GSF. There are no administrative fees deducted from your donation.

Our sponsorship program has three primary goals:

- To develop a meaningful and lasting relationship between each child and their sponsor
- To provide prayer support for each child
- To provide GSF with part of the funds necessary to care for each child.

Sponsors are sent a profile of the child assigned to them and a photograph, and one of the main aspects of our program is letter writing between children and sponsors. Children are organized to write three letters a year and we encourage sponsors to write at least as many times to their child. Letters are very important to the children. All mail to children is monitored, i.e. read by us before being passed to the child, or sent to the sponsor, for both sponsors and children's protection.

You will also receive a yearly update with picture of the child.

The cost of basic sponsorship is US\$30/\$36 Canada/25 Euros and that help to cover a portion of the cost to care and provide for the child. **This will need to be sent to Global Outreach, P.O. Box 1, Tupelo, MS 38802, indicating with a note "GSF Sponsorship Program" and your child #. You can make payments monthly, quarterly, or yearly.**

We also encourage Christmas and birthday gifts of US\$5/\$6 Canada/5 Euros

Small gifts may be sent by regular mail, and the children are always blessed to receive them.

E mail is not available for corresponding with children.

The children we care for have all suffered deep loss, rejection and broken relationships and so we encourage people to consider this before committing to sponsor such a child. There are other opportunities to be involved in this ministry financially including non-relational sponsorships that is without letter writing, for those that would prefer that.

If you have any questions or would like further information on how to start sponsoring a child, please don't hesitate to contact us or fill in the form attached:
